

Last Time Buy Notification – FSA II Motor Controllers

Dear Customer,

Due to obsolescence of a critical component, the product life cycle status of FSA II units has been set to “Discontinued”. This means that these parts will no longer be manufactured after 2013.

The affected components include the full range of FSA II motor controllers from FSA23 II to FSA200 II

The products will still be supported until the end of 2016 in terms of repair and exchange services, but to maintain the usability of your AGV system, we recommend you to consider corresponding actions.

Last Order Date for FSA products: 2013-11-30

Please assess your product needs and place a last time buy order no later than the last order date stated above.

In order to ensure the long-term usability of your equipment it would also be beneficial to consider to update your system with the latest technology

For more information please contact Rocla AGV Services at agvservices@rocla.com
or your personal sales contact.
